

- Ongoing project status
April 2024

- Respected Teachers Please mention the current status of your ongoing project for college council meeting.
- Kindly add your new project if received IEC for C.C. in the list provided.
- Kindly mentioned Intramural project only tick in the column in front of title.

Short Term

Data Collection Completed Sr no	name of dept	Name of PI	Title	Type of study	Intramural project	IEC date	Study duration	Expected month & year of completion	Previous month status	Current month status	Outcomes	sign
1	Samhita	Dr PreetiBorkar Dr ShipaliBhalerao Dr Akshay	Assessment of Psychological wellness and its association with academic performance in Ayurveda students	Cross-sectional survey study	×	12.02.2022	Short term	July-2023	50% data collection completed		-	

2	Samhita	Dr PreetiBorkar	Effectivness of mnemonics as teaching learning method of Ayurved UG students	Interventional		03.02.23	Short term	March 2024	Thesis writing in progress			
3	Samhita	Dr.RushikeshThakre Dr Borkar	Assessment of comparative cox1 & cox2 inhibition effect of ehretialaevisroxb. Leaves versus diclofenac sodium in vitro study	RCT	×	28/3/22	Short term		68 % data collected			
4	Samhita Panchakarma	Dr Thakare Dr PunamSawarkar	Evaluation of Comparative Efficacy Of Novel Herbal Enema Versus Reference Standard DashamulaTaila Enema In The Pain Management-RCT	RCT	×	17/6/22	Short term	Jan 2023	52% data collected			
5	Samhita	DrDnyanesh joshi (Phd project)	Critical review of ankaprakash pf ravansamhita w.s.r.to Ayurveda litreture.	litreture	×	25/09/2021	Short term	Dec 2024	Protocol accepted		Protoc ol submitt ed	
6	Rasashastra	Dr MakrandSonare	Comparative pharmaceutico analytical study of herbomineral formulation for cracked heels.	Analytical	×	8/10/2021	Short Term	10/4/2022			Publica tion pendin g	

7	Rasashastra and Bjaishajya Kalpana	Dr.Bharat Rathi Dr.Bhagyashree jibkate	Generation of empirical evidence for the concept RCT.of sapta sarata and oxidative stress in healthy volunteers assessment of cross word puzzle method vs traditional teaching as a learning food among second yr Ayurveda stuents in subject of rasashastra and bhaishajyakalpana .	RCT		10.02.2024	Short term		50% data collection completed			
8	Dravyaguna	Dr Sneha Vidhate (Fellowship)	Comparative Evaluation of Lekhan basti versus Triphala kutaki churna basti in Managment of obesity	interventional	×	24/02/23	Short term	Jan 2024	20% data collection done		Protocol submitted F1000	
9	Rognidana	Dr Pande	A study of development and validation of stool analyzer criteria for pachan karma based on ayu principles.	Analytical & RCT	×	22/7/2022	Short Term (1yr)	July 23	70% data collection completed			
10	Swasthvritta	Dr Priyanka B	Assessment of effect of awakening before sunrise on Physical, Mental and Spiritual health - A Retrospective cohort study	Retrospective Cohort	×	Mar 2022	Short term 1 year	Dec 2022	Data collection done		-	

11	Kaumarbhritya	Dr renu Rathi Dr Prasad Yewale Dr Bharat rathi	A comparative study of efficacy of suvarna prashan vs nutrileha in management of karshya [SAM] in 13 to 24 month children	RCT	10.02.2024		Short term		Not yet started pending			
12	Kaumarbhritya	Dr Prasad Yewale	Study of Prevalence of gadget addiction and its correlation with different prakruti among children	Observational study		19/1/2023	Short time	October 2023	Manuscript writing in process			
13	Kayachikitsa	Dr Mayuri Deshpande	Incidence of constipation in people using Western toilets in population of Wardha - a retrospective cohort study (questionnaire based)	COHORT	×	Dec 2021	Short Term 6 month		completed		Protocol submitted Review submitted	
14	Kayachikitsa	Dr Mayuri Deshpande	Evaluation of anti oxidant property of Shatavari Ghanavati in Jarajanya Smriti Bramsha (Senile Dementia)	RCT	×	07/10/2022	Short term	Oct 2023	70% data collection done		-	

15	Kayachikitsa	Dr Dipika Chakole	Study of correlation of obesity with charaksamhita listed satarpanjanyahetus in office working people in Wardha district-A crossSectional correlational Study	Observational Study	×	07/10/2022	Short term	Oct 2023	Manuscript in progress		-	
16	Kayachikitsa	Dr Ashwini Pardhekar	Evaluation of comparative efficacy of haritaki vati vs metformin in pt of type2 diabetes mellitus [madhumeha]			10.02.2024	Short term		MRI registration started			
17	Shalyatantra	Dr Sheetal Asutkar (Fellowship)	Assessment of comparative efficacy of medicated oil pulling therapy versus benzydomne mouth wash in post radiating mucosites of oral cancer patient	RCT	×	6/4/23	Short term	July 2024	100%data collection completed		Patient enroll ment started	

MID TERM

1	Samhita	Dr.RushikeshThakre	Comparative efficacy study of EhretiaLaevisRoxb. leaves powder with standard in the management of pain.	Interventional (RCT)	×	22/1/21	3 year Mid Term	August 2024	68% data collected			
2	Samhita Panchakarma	Dr Thakare Dr PunamSawarkar	Evaluation of Comparative Efficacy Of Novel Herbal Enema Versus Reference Standard DashamulaTaila Enema In The Pain Management- RCT	RCT	×	17/6/22	(Midterm)	Jan 2023	52% data collected			
3	RachanaSharir	Dr.Priti Desai	The study of Effect of Rajani – Haritkyadi Yoga in Sthaulya& it's Correlation with anthropometric parameters	Interventional (RCT)	-	30-4-2020	2 (Mid term)	30-4-2022			Case series manuscript writing under process	
4	Kriya sharir	Dr Pradnya Dandekar	Association between natural doshadiawastha and oxidative stress in healthy volunteers-A prospective cohort study.	cohort study	×	22/7/2022	Mid term (2yrs)	July 24	Data analysis			
5	Rasashastra	Dr. Anita Wanjari	Acute and sub acute toxicity study of laghumalini vasant				mid term		IAEC just recieve			
6	Dravyagunavidnyana	Dr Sarvade	Comparative evaluation of Rasa(Taste) phytochemical characterization,HPTLC Fingerprinting and Assay using quercitrin as marer for Rose (Rose	Analytical Study	×	07/10/2022	mid term	Oct 2024	80% proforma completed		-	

			Centifolia Linn) beverages prepared by five different brewing methods									
7	Dravyaguna	Dr Sneha Vidhate	Assessment the concept of Anupana as Bioavailability enhancer outcome of Haritaki	interventional	√	25/1/2023	Mid Term		100% data collection done		Protocol submitted	
8	Agadtantra	Dr, Shanti M	Standardization of Panchashirishadiagada	Analytical	√	18/12/19	Mid Term	Dec 2022	Manuscript writing under process		Protocol submitted for publication	
9	Agadtantra	Dr MinakshiUrkunde	Efficacy of modified putikadi ointment & ketoconazole in the treatment of Dadru (Tineacorporis)	Interventional Study	×	13/08/2020	3 yrs Mid Term	Aug 2023	75% data collection completed		Protocol published Medicine prepared	
10	Agadtantra	Dr Minakshi Urkude (Phd project)	Comparative evaluation of vishataila and its modified form as an ointment with calcipotriol ointment(0.005%) in the treatment of dushivishjanyakitibhakushtha.	RCT	×	30/12/2021	mid term	Dec 2024	10 % data collection completed CTRI done		Protocol submitted Review submitted	
11	Agadtantra	Dr. Sonali Chalkh	In vivo assessment of antihistaminic and anti-inflammatory action of Dushivishariagad	Experimental		30/09/2020	mid term		Manuscript writing under process		Article writing is in process	

12	Rog-nidan	Dr.SeemaThakre	Assessment of role of diet,life style & stress in the etiopathogenesis of constipation in geriatric patient	Observational Cross sectional	-	18/12/19	1.5 yrs (Mid-term)	Feb. 2021	Manuscript submitted		Study completed manuscript submitted	
13	Rognidan	Dr Arun wankhade (Fellowship)	Evaluation of comparative efficacy of yograja guggulu with patra pottali sweda in management of janu sandhi gata vata	Randomised controlled single blind clinical trial	10.02.2024		mid term		IEC just received			
14	Kaumarabhritya	Dr. TruptiThakreDeshmukh	Comparative study on the effect of Rajanyadighrit and Dadimadighrit in Pandu	Interventional	√	10/10/2020	3 yrs, midterm	15/10/2023	Manuscript writing in process		Project completed article writing started	
15	Kayachikitsa	Dr Sadhana Misar	Evaluation of efficacy of Babul phalamajja(Acacia Nilotica Linn) versus sallaki(Boswellia serrate Roxb) Along with abhyanga in both groups in the management of janusandhigata vata(Knee Osteoarthritis)-A Randomized controlled trial	RCT	×	07/10/2022	mid term	Oct 2025	30% data collection done		Protocol submitted-	
16	Kayachikitsa	Dr. Saurabh Deshmukh	Comparative evaluation of the efficacy of standard market preparation tablet versus swayamguptadivati in the management of Klaibya(Erectile dysfunction)	RCT			Mid term	April 2025	Waiting for approval			
17	Panchakarma	Dr Ade	To study the effect of Haritakyadikashay Ghana capsule in Perdiabetes – A randomized controlled study	Interventional (RCT)		10/09/2019	mid term	Oct. 2022	37% data collection completed		Protocol writing under process	

18	Panchakarma	Dr.ShwetaParwe	Comparative study of Manjishthadi oil and Ashwagandha oil matrabasti on Vishvachi(Cervical Rdiculopathy)	Interventional (RCT)	√	10/10/2019	3 years (Mid-term)	Sept. 2022	Analysis going on		Protocolpublished	
19	Panchkarma	Dr. Shweta Parwe	Study the effect odnishamlaki (as an adjuvant drug) in uncontrolled type II diabetes mellitus- A pragmatic randomized control trial.	RCT	√	20/01/2023	mid term	2027	30% data collection completed			
20	Panchakarma	Dr PunamSawarkar	An Evaluation of comparative efficacy of Nimba – Amlakyadichurna with that of Metformin for the management of Diabetes mellitus type II (Prameha)	RCT	×	9/4/21	Mid term		Protocol submitted		Protocol submitted	
21	Panchakarma	Dr ShamliHiware	Evaluation of Comparative Efficacy of AmalkyadiKaphaghnaBasti with LodhradiLekhanaBasti in management of Dyslipidemia	Interventional	√	8-10-2021	Mid term (3 year)	Oct 2024	70% data collection done		Protocol submitted	
22	Panchakarma	Dr Chitraveenanibrad	Assessment of comparative efficacy of ManjishthaKsheeradhooma with Arjuna Lepa alone in the Management of Mukhadushika(Acne Vulgaris)	RCT	√	07/10/2022	Mid Term	Oct 2025	40% data collection completed		-	
23	Shalyatantra	Dr Sheetal Asutkar	Assessment of comparative efficacy of Agnikarma by SuwarnaShalakaversusTamraShalaka in Pain management of Kagigatvataw.s.r. to Lumber spondylosis	RCT	√	07/10/2022	mid term	Oct 2024	75% data collection completed		Review Given	

24	Shalyatantra	Dr.Pooja Shrivastav	Evaluation of Recurrence rate of Bhagandar(Fistula-in-ano) managed by Udumbersheer sutra	Observational Cross sectional	×	10/10/2019	3 Yrs (Mid-term)	Oct. 2022	manuscript submitted		Protocol published	
----	--------------	---------------------	--	-------------------------------	---	------------	------------------	-----------	----------------------	--	--------------------	--

Long term

1	Samhita	DrDnyanesh joshi (Phd project)	Critical review of ankaprakash pf ravansamhita w.s.r.to Ayurveda litreture.	litreture	×	25/09/2021	Long term	Dec 2024	Protocol accepted		Protocol submitted	
2	Rachana Sharir	Dr Amol Deshpande (PhDproject)	Comparative study on efficacy of marmaChikitsa,Agnikarma and physiotherapy in Avabahuka (frozen sholder)	RCT	√	01/10/2019	3 Yrs Long term	Nov 2023	80% data collected completed		Protocol Published	
3	Kriya Sharir	Dr Pradnya Dandekar (PhDproject)	Assessment of efficacy of Rutussanshodhan karma on oxidative stress in healthy volunteers.	Interventional	×	20/04/2022	3 Yrs Long term	Apr 2024	Data collecting completed		Protocol published	
4	Rasa shashtra	Dr Anita Wanjari (PhDproject)	Formation of Laghumalinivasant and assessment of its immunomodulatory activity in cell line.	Experimental	×	Oct 2021	3 Yrs Long term	Nov 2023	80% data collection completed			

5	Dravyaguna	Dr Sneha Vidhate (Phd project)	Evaluation of Sharkara as an Anupana on the Bioavailability Enhancer Effect of Haritaki	RCT/Experimental study	√	06/05/2020	3 yrs Long term	June 2023	100% data collection done		Protocol published 85%	
6	Dravyaguna	Dr Akshay Pargaonkar (PhDproject)	Comparative characterization of chemical constituents and Spermatogenic activity of Ushir (Vetiveria zizanioides Linn) vs Ikshu (Saccharum officinarum Linn) in male wistar Rats	Randomized researcher blind interventional comparative animal study.	×	05/10/2021	3 Yrs Long term	July 2024	Sample sent for authentication		Protocol Submitted for publication	
7	Agadtantra	Dr. Nilima Wadnerwar	Evaluation of Antidotal property of Mrutsanjivan Agada	Experimental Analytical	×		Long term (1yr)		Manuscript submitted for publication		Protocol published	
8	Agadtantra	Dr. Sonali Chalkh (Phd project)	Evaluation of Efficacy of Vishatindukadivati in ghrudrasi (Sciatica) through reverse pharmacology approach	RCT	×	25/09/21	3yrs Long term	Aug 2024	100% data collection completed Thesis writing in process		Protocol published Analytical study article under process	
9	Swasthvritta	Dr. Badwaik	Evaluation of Kapalbhati intervention on type II DM & their lung capacity	Prospective Cohort study	×	30-4-2020	Long Term (3 yrs)	30-5-2023	Data analysis is going on		Protocol submitted for publication	
10	Swasthvritta	Dr Badwaik (PhDproject)	Evaluation of comparative efficacy of Anulomaviloma pranayama versus Nadishodhan pranayama as an add on therapy with standard therapy in shwas (Bronchial Asthma)	Interventional	×	June 2021	3 Yrs Long term	July 2024	85% data collection completed		Protocol published Review article is to be submitted	

11	Kaumarbhritya	Dr Prasad yewale (Phd project)	Evaluation of Comparative efficacy of Medhyaraayana vs nonpharmacological interventions in the management of gadget addiction in children :an interventional clinical study.	Interventional	×	25/11/22	3 Yrs Long term	Oct 2025	42 % data collection done manuscript submitted		Protocol submitted Review accepted in IJLPR	
12	Kayachikitsa	Dr.Vaishali Kuchewar	Effect of TerminaliaArjuna(add on medication) on Cardiac function of patients of Coronary artery disease – A Randomized controlled clinical study	Interventional (RCT)	√	10/09/2019	4 years Long term	Oct. 2023	completed		Protocol published	
13	Kayachikitsa	Dr Mayuri Deshpande (PhDproject)	Evaluation of comparative efficacy of Bramhighanavati and shatavarighanavati in jarajanyasmritibramsha(Senile Dementia)	(RCT)	×	31/7/21	3 Yrs Long term	July 2024	25% data collection done		Protocol Published.	
14	Panchakarma	Dr PunamSawarkar	Evaluation of efficacy of Panchakarma with Physiotherapy in the rehabilitation of Stroke – A Randomized controlled open- labelled three – armed comparative clinical trial	RCT	√	15/4/21	Long term term		Protocol published Data analysis on going		Protocol accepted	
15	Panchakarma	Dr Shamli Hiware (PhD project)	Comparative efficacy of Amalkyadikaphagnabasti with lekhanbasti in management of dislipidemia	RCT	×	10/10/2020	Long term	Oct 2023	50% data collection done		Protocol send for publication	

16	Shalyatantra	Dr.Pooja Shrivastav (PhDproject)	Standardization of Udumbarksheer sutra and its clinical efficacy in comparison with apamargakshar sutra in the management of Bhagandar (Fistula in ano)	Interventional (RCT)	×	31.12.2019	3 Yrs Long term	Dec 2022	Manuscript writing in process		Protocol published Systemic review started	
17	Stri rog and prasuti tantra	Dr. Pratiksha Rathod	A pragmatic evaluation of comparative efficacy of Garbhasanskar regimen with ayurveda approach versus standard routine antenatal care on selected aspect of prenatal and perinatal outcome			30.05.2022	Long term		Near submission		Protocol published Systemic review published
